Subject: EUBAM Rafah – Support to EUPOL COPPS in November 2007

Dear General,
Dear Colonel,

With reference to EUBAM's letter of 20th September on this subject, I would like to inform you that the support by EUBAM Rafah to EUPOL COPPS for the month of November 2007 will involve the following:

- a. Public Order Police (POP) training:
EUBAM will support the Palestinian Civil Police "Public Order Police Train the Trainers Course" from the 10th of November until the 22nd of November 2007 at the Jericho Training Centre, with two officers, one armoured car and some didactic equipment (computer, overhead projector).
- b. EU Prison Assessment Project:
EUBAM will support the EUPOL COPPS "Prison Assessment Project Team" by providing them an armoured vehicle with an EUBAM international driver for their visits to the prisons and police detention centres in Bethlehem, Jenin, Nablus, Qalqilya, Tulkarem and Dhahriya (Hebron).

As in the past, you will be informed should there be any changes, and I will be happy to provide any additional information you may require. Your assistance and cooperation in facilitating access for our staff and vehicles at West Bank check points would be appreciated.

Best regards,

Colonel Patrick Delval
